Dear Sheller,

The Sea Shell Searchers announce our 2022 Shell Show. Our show this year will be held at the Lake Jackson Civic Center, 333 Hwy 332 East, Lake Jackson, TX. There will be social events to renew acquaintances and make new shell friends. The Sea Shell Searchers Shell Show has proven to be a major event in shelling and we invite you to come and join us.

Please read the categories and rules that are included with this letter.

Our schedule for the show is:

1. Send entry forms to the Sea Shell Searchers, C/O Brazosport Museum of Natural Science, 400 College Blvd. Clute, TX 77531, by September 15, 2022. Space is limited this year; applications accepted on a first-come-first-serve basis.

3. Set up exhibits at the Civic Center, Friday, October 14 from 9:00 a.m. to 1:00 p.m.
4. Judging to begin at 1:00 p.m. Friday, October 14. All exhibitors must leave the shell show area during judging.
5. Awards will be given at the Jamboree Welcome Party on Friday evening at the Brazosport Museum of Natural Science. Hamburgers will be served hot off the grill with all the trimmings.
6. Show will open to the public Saturday, October 15 from 10:00 a.m. to 4:00 p.m. and Sunday, October 16 from 11:00 a.m. at 3:00 pm.
7. Exhibit removal will begin as soon as the show closes on Sunday at 3:00 p.m. No exhibit or part of exhibit may be removed prior to 3:00pm.

9. The Texas Shellers Jamboree will be held at the same time and the two events are being combined this year. If you wish to participate in Jamboree, please contact Lucy Clampit at [lclampit@comcast.net](mailto:lclampit@comcast.net). If you choose not to participate in Jamboree but you want to attend the awards dinner/welcome party, you will need to pay separately to attend.

We look forward to your participation in the show. If you would like to support our show, please let us know. Patron donations \$25.00 and greater will be acknowledged at the Awards Banquet.

2. Exhibitors may enter more than one category, but only one entry per category or subcategory, unless otherwise stated,
3. In order for a self-collected shell to be considered for Shell of the Show self-collected, a small star should be placed or printed on the label of self-collected shells. If the entire exhibit is self-collected a statement to that effect will take the place of individual labels.
4. Contents of exhibits must belong to the exhibitor.
5. Exhibitors must pre-register before September 15 to reserve a place. Late entries will be accepted if space allows. Tables as well as space will be limited this year, so please register early.

9. As judging is to be done anonymously, no name or identifying information is to be put with the exhibit. After judging, cards will be placed with exhibits identifying exhibitor.
10. Judging will be based on attractiveness of arrangement, quality and choice of shells, accuracy of labeling, apparent amount of work on the exhibit and educational value. Decisions of the judges are final. Awards will be given only if judges determine exhibits are of sufficient merit.
11. The committee may add or subdivide categories if deemed necessary.
12. No live exhibits.
13. Tables are 30" deep x 6' long. Long exhibits may be exhibited in 2 parts depending on available running length.
14. The height of an exhibit (including backboard) may not exceed 36" from tabletop and the backside of any exhibit must be plain and finished so as not to detract from exhibit.
